River Mill Gazebo Reservations

If you'd like to reserve our community gazebo, simply contact the board at info@rivermill.org and let us know the day, time, and number of people you are planning to have attend. There is no charge to use the space, however, any loud noises are prohibited after 11pm and you are required to leave the gazebo and surrounding area in the same condition you found it.

While there is no limit to the number of times you can reserve the gazebo, we request that each resident only have one standing reservation at a time. Please check below to ensure your desired date is available.
